College-Bound Coaches Network

Minority Exposure Clinic

Sunday, July 29, 2018
Time: 6:00–7:00 pm
Hosted by ***Victory Volleyball Club – Head Coach Alexis Lowe***
at Net Results Sport Center Plano, Texas

College-Bound Coaches Network (C-BCN) was created by Ruth N. Nelson in 2010 after she studied the way clinics and camps were being offered to young aspiring student-athletes (ages 5-18). She has dedicated over 40 years in the sport at all levels. Her innovative approach provides athletes the highest level of training in her Exposure Camps and clinics. Each athlete will be provided the opportunity to be exposed to what is needed in becoming the best player she can be.

Camp is limited to 24 players and is ***OPEN to any 7-12 grade player.*** This is the fifth clinic in the series of the C-BCN "Minority Exposure Clinics". We are pleased to welcome back Penny Lucas-White, a former player of Nelson's at LSU and the Dallas Belles professional team. Lucas-White has also coached at Auburn, Memphis and Air Force Academy. She is beginning her fifth year at Alabama State University.

You will have the pleasure of experiencing how Coach White came from a small town in Louisiana and played on a college scholarship when junior clubs were not in existence. She continued by playing on the USA National Team and professionally in Italy & Germany.

Nelson's Louisiana Volleyball Club (LVC) is a non-profit organization 501 c 3 providing opportunities for inner city girls and minority volleyball players.
