College-Bound Coaches Network presents the first annual Dallas “Volleyball Talent Showcase” for 2013 in coordination with our College-Bound Coaches Network Exposure Camp (C-BCN). Saturday evening, we have set aside three hours of scrimmage time for any player ages 14-18 who may not have registered for our Exposure Camp.

Since many players are in team camps at this time, we wanted to provide this unique scrimmage opportunity. We feel that every aspiring athlete, regardless of her status, should have the opportunity to attend this evening session to be seen and coached by outstanding C-BDTC college coaches. Where in the country, but good ole “Big D” (Dallas), could you get this chance?

Please take advantage of this low cost and join us at Net Results Sports Center for our “C-BCN Volleyball Talent Showcase”. It is right here in your backyard, conveniently located in North Dallas just off of George Bush and Jupiter. The facility was designed for an event like this with the highest standards of quality, safety, and performance to create a challenging and structured, yet fun and cool environment.

Register before May 15 for this Talent Showcase!
(OPEN to ages 14-18, but limited court space to 100 players)
